
Safety City

Dear Parent or Guardian,

Thank you for enrolling your child in the Village of Blissfield Recreation Department's Safety City Program. We would like to give you a brief outline of "Safety City." This program is designed for children entering kindergarten in the fall. The program will be divided up into three areas; classroom time, time in the "City", and time spent with a speaker to learn the theme for the day. Certified teachers will lead each classroom.

This year's program has a one week-long session. It will begin on Monday, Aug 18th, 2014 and end on Friday, Aug 22nd, 2014. Each day will begin at 9:00 am and end at 11:30 AM. We will hold a graduation ceremony on Friday, Aug 22nd, 2014 at 11:30 AM. All activities, including Graduation, will be held at Blissfield Elementary School.

The week's schedule is as follows:

- Monday – Bicycle Safety/Police Day (bike helmets will be handed out)
- Tuesday – Fire Safety
- Wednesday – Electrical Safety
- Thursday – School Bus Safety (along with a school bus ride)
- Friday – Poison Safety

Each day your child will be bringing home a letter with a summary of the day's activities and what will be covered the next day. Please ask for the letter and share with your child about their experiences that day. This will allow you the chance to reinforce those things your child has learned.

We will be providing bike helmets to the children participating in this year's program. The children will be bringing them home Monday to be adjusted. They need to bring the helmets back on Tuesday morning to be used the rest of the week.

Please drop off and pick up your child using the main front doors. There will be someone there to direct you. If someone other than a parent will be picking up your child, please send a note to the teacher.
